

## Homework

The **compulsory** homework this year across all year groups is **reading, spelling and times table** focussed. Please ensure you are helping your child learn their spellings each week and giving them daily access to 'Bug Club' which is our online reading book program (See separate log in sheet for extra information). If you cannot access Bug Club at home, please speak to your child's teacher who will issue you with an appropriate reading book. Children are tested weekly on their spellings and 'Bug Club' usage is monitored weekly. Children are **rewarded** in school for their progress.

Teachers will also offer children in each year group the choice of **x3 optional homework projects** to complete at home. The children are free to **choose** if they want to complete one of these tasks. They will be rewarded for any additional homework completed and there will be gold, silver, bronze prizes!

## Club Nights

There will be different clubs running every half term by the teaching staff and sports coaches. Teachers will send out letters at the end of the half term with information about the club they will run the following half term. The clubs will be allocated on a first come first served basis as there are a limited number of places. We will place children's names on waiting lists so if places become available your child will be informed. Clubs available this half term are as follows. **You will receive a text or paper slip if your child has got a place on one of the clubs.**
